Kabi Stool

The new Kabi Stool collection serves to expand the Kabi programme. With more compact seating which nonetheless maintains the characteristic comfortable, single-body design, offering different base options for a range of spaces. It is also available in two heights: a higher barstool and a medium-height stool for counters, in both private and public settings.

The product family features four different bases, including a 4-legged stacking option. All these variants combine with the Kabi single-body structure, in polypropylene or with fabric upholstery, and an endless array of finishes and colours. All of which goes to create an extensive and consistent collection, to resolve the different needs of the Hospitality and Contract market.

Pensi Design Studio

Pensi Design Studio has been awarded numerous prizes and has received widespread recognition throughout his career, including the Spanish National Design Prize in 1997, awarded by the Ministry of Industry and Energy and the BCD Foundation for outstanding professional achievement.

If there is one thing which defines Pensi Design Studios products, it is their timelessness. Among the most well-known designs we can name the Gorka program for Akaba (1993), the Hola series for Kusch+Co (1993), Glassbox for Disform (1995), the Temps chair for Punt Mobles (1997) and the Artico and Duna collection for Cassina (1998).
