Lur

Lur is a family of chairs characterized by its enveloping design of round and organic outlines. The polypropylene one-shell seat, as comfortable as versatile, is available in a new colour range.

The programme offers infinite configuration options thanks to the variety of fabrics and the upholstery alternatives (frontal, partial or complete upholstery), as well as a wide selection of bases, which makes Lur an especially polyvalent collection.

A transversal and functional design, for all kinds of environments and markets.

Pensi Design Studio

Pensi Design Studio has been awarded numerous prizes and has received widespread recognition throughout his career, including the Spanish National Design Prize in 1997, awarded by the Ministry of Industry and Energy and the BCD Foundation for outstanding professional achievement.

If there is one thing which defines Pensi Design Studios products, it is their timelessness. Among the most well-known designs we can name the Gorka program for Akaba (1993), the Hola series for Kusch+Co (1993), Glassbox for Disform (1995), the Temps chair for Punt Mobles (1997) and the Artico and Duna collection for Cassina (1998).
