Ander Lizaso

El sistema de mesas modulares Xut destaca por su versatilidad, ofreciendo dimensiones, formas y acabados personalizables para adaptarse a cualquier espacio.

La estructura de Xut está formada por columnas modulares constituidas por nervios metálicos verticales, que le confieren una estética sólida y contemporánea, un diseño que representa un guiño a la arquitectura de fachadas con revestimientos metálicos del siglo XX.

The Xut modular table system stands out for its versatility, offering dimensions, shapes and finishes that can be customized to adapt and fit any room.

The structure of Xut is composed by modular columns made up of vertical metal ribs, which give it a solid and contemporary aesthetic, a design that represents a nod to the metal-clad facade architecture of the 20th century.

Diseñador - Designer

Ander Lizaso

Ander Lizaso (Oiartzun, 1986). Realiza sus estudios de ingeniería y diseño en la Mondragon Unibertsitatea y en el Instituto Europeo de Design de Madrid. Su aproximación al diseño es honesta y crítica al mismo tiempo. Huye de algunos de los vicios clásicos del sector y trata de diseñar productos duraderos que desarrollen conexiones con el usuario.

Ander Lizaso (Oiartzun, 1986) is a Basque industrial designer. He studied engineering and design at the University of Mondragon and at the Instituto Europeo de Design in Madrid. His approach to design is honest and critical at the same time. He runs away from some of the sector's classic vices and tries to design lasting products that develop links with the user.

Reducing our environmental impacts

From our surroundings in Usurbil, Spain, we find inspiration in every corner. This landscape is not only our home but also our identity—the place we care for and preserve, fueling our commitment to sustainability. It's in this connection with nature that our ideas are born and our developments take shape.

EPD (Declaración medioambiental de producto) - EPD (Environmental Product Declaration)

Una EPD es una declaración ambiental certificada elaborada en conformidad con la norma internacional ISO 14025 consiste en un documento mediante el cual una empresa, de acuerdo con unos parámetros predeterminados, comunica el rendimiento ambiental del producto de forma transparente.

An EPD is a document that communicates the environmental impact of a material during its life cycle, from the raw material extraction process, transportation to the manufacturing site and the product manufacturing process.

ISO 9001

ISO 9001 es una norma mundialmente reconocida para la gestión de la calidad. Ayuda a organizaciones de todos los tamaños y sectores a mejorar su rendimiento, cumplir las expectativas de los clientes y demostrar su compromiso con la calidad.

ISO 9001 is a globally recognized standard for quality management. It helps organizations of all sizes and sectors to improve their performance, meet customer expectations and demonstrate their commitment to quality.

ISO 14001

La ISO 14001 es la norma líder mundial para sistemas de Gestión Ambiental. Entre los beneficios de implantar esta norma se incluyen la reducción del impacto medioambiental, la disminución de la generación de residuos y del consumo energético, y el recorte en los costes de la actividad empresarial.

ISO 14001 is the world's leading standard for environmental management systems. The benefits of implementing this standard include reducing the environmental impact, cutting down on waste generation and energy consumption, and decreasing business activity costs.

ISO 14006

ISO 14006 es una norma Internacional que proporciona directrices para ayudar a las organizaciones a establecer, documentar, implementar, mantener y mejorar de forma continua su gestión del ecodiseño como parte de un sistema de gestión ambiental (SGA).

ISO 14006 is an international standard that provides guidelines to help organizations establish, document, implement, maintain and continuously improve their eodesign management as part of an environmental management system (EMS).

P-3040 Mint	P-254 Traffic Grey (*RAL 7042)	P-250 Mustard (*RAL 1016)	P-1017 Apricot - Ochre (*RAL 1017)	P-3012 Beige Red (*RAL 3012)	P-251 Rose (*RAL 3017)
					
P-7003 Moss Grey (*RAL 7003)	P-7024 Graphite Grey (*RAL 7024)	P-5001 Navy Blue (*RAL 5001)	P-246 Black (*RAL 9017)	P-208 Black Textured (*RAL 9017)	

Pinturas Oxidas - Oxidized powder coats:

		
P-261 Copper	P-262 Oxyde Brown Textured	P-260 Anodic Bronze

Xut Central Column

Mesa columna central. Encimera de 19mm de espesor en melamina, madera chapeada de 19mm o fénix negro de 20mm. Pata de lamas de aluminio pintado que se encajan entre sí para formar distintas formas.

Central column table. 19 mm thick tabletop in melamine, 19 mm wood veneer or 20 mm black fenix. Interlocking powder coated aluminum slats that create different shapes.

Xut Two Columns / 1 Tabletop

Mesa de dos columnas y una encimera. Encimera de 19mm de espesor en melamina, madera chapeada de 19mm o fénix negro de 20mm. Pata de lamas de aluminio pintado que se encajan entre sí para formar distintas formas.

Two columns table with a top. 19 mm thick tabletop in melamine, 19 mm wood veneer or 20 mm black fenix. Interlocking powder coated aluminum slats that create different shapes.

Xut Two Columns / 2 Tabletop

Mesa de dos columnas y dos encimeras. Encimeras de 19mm de espesor en melamina, madera chapeada de 19mm o fénix negro de 20mm. Pata de lamas de aluminio pintado que se encajan entre sí para formar distintas formas.

Two columns table with two tops. 19 mm thick tabletops in melamine, 19 mm wood veneer or 20 mm black fenix. Interlocking powder coated aluminum slats that create different shapes.

Xut Three Columns

Mesa de tres columnas y dos encimeras. Encimeras de 19mm de espesor en melamina, madera chapeada de 19mm o fénix negro de 20mm. Pata de lamas de aluminio pintado que se encajan entre sí para formar distintas formas.

Three columns table with two tops. 19 mm thick tabletops in melamine, 19 mm wood veneer or 20 mm black fenix. Interlocking powder coated aluminum slats that create different shapes.
