

Aski Rectangular Table

H750

Ecodesigned central column and double column tables optimized to obtain the greatest resistance minimizing the material used in each version, thereby avoiding additional unnecessary material. A wide range of dimensions, from 600mm to 1600mm in several heights. All sizes are prepared for electrification.

Base: Rectangular or square in S-275 grade steel in several dimensions depending on the top size. Bevelled edges and smoothened surfaces to ensure the optimal adhesion to the paint. Variable widths of sheet from 5mm to 16mm. Powder coated finish. Base prepared for electrification exit.

Top 19mm melamine, 12mm compact resin, 20mm fenix, 19mm bevelled plywood or 19 mm wood veneer.

Column Cylindric steel tube from diameter Ø60mm diameter to Ø100mm diameter, 2mm thick. S-275 grade available in several heights. High precision laser tube cutting. Powder coated finish.

Glides Robust polyamide screwed glides. Good slip, high durability and floor protection.

Metallic finishes epoxy/polyester paint with a thickness of 50-90 microns depending on the colour, ISO 2409 Gt 0 adhesion and ASTM 2794 impact 2.5 joules reverse & direct or chrome finish, composition: 98.4% NI, 1.6% CR, 24.4 micron thickness and UNE EN ISO 2409-96 adhesion, Classification 0

Accessories, 2 types available: Hanger per column and electrification with 1 electrical outlet + 1 USB A and C.

Environmental certificates

ISO 14006 Ecodesign.

EPD (Declaración medioambiental de producto, Environmental product declaration).

Recyclable up to 100 %.

Measures

Aski Rectangular

Accesories

Hanger - AC058
Two per column.

USB Charger - AC083
Ø70mm support / Ø60mm
cut out.
1 schuko + 1 USB charge A
and C.
Black colour.
